New Community Police Team Officers

Sgt. Cindy Granard is proud to announce and welcome two new additions to the South Precinct Community Police Team - Officer Ed Haynes and Officer Sylvia Parker.

Officer Ed Haynes is a 28-year veteran of the Seattle Police Department. He has spent all of that time as a patrol officer, with the past nine years here in the South Precinct. As Ed says, he's been around so long that nothing surprises him any more. He's pretty much seen it all and because of his experience, he is more than able to deal with issues of concerns that impact our southeast Seattle communities. Ed enjoys golf, archery fly-fishing, and is passionate about his family. Officer Haynes is assigned to the Beacon Hill area, primarily working the area north of S Orcas ST and between I-5 and MLK.

Officer Sylvia Parker is a five-year veteran of the Police Department. She has spent her time as a patrol officer in West Seattle and the past year working Third Watch in

Southeast Seattle. She holds an Art degree and is quite a skilled illustrator. She, like Officer Haynes, is passionate about her family (as well as art). Officer Parker also speaks German, French and is studying Spanish. She enjoys working with the community and is looking forward to working with you on those long term issues impacting our neighborhoods that officers don't get a chance to do while working in Patrol. Officer Parker is assigned to the Mount Baker, Columbia City, and Lakewood/Seward Park communities.

We don't want to slight our other Community Police Team officers. They've been with us for a while and do an outstanding job.

Officer Michael Alphin, who was assigned to the Beacon Hill area, is now responsible for the Dunlap, Rainier Beach, Upper Rainier Beach and Rainier View communities.

Officer Timothy Liston, who had responsibility for the Mount Baker, Columbia City, and Lakewood/Seward Park communities is now assigned to the Brighton, Seward Park, Othello Park and New Holly communities.

Officer Rodney Strozier continues to be the Community Police Team Officer working with Seattle Housing Authority properties, to include Rainier Vista and some of the high-rise properties that SHA maintains.

On the second page of this newsletter, you will find a map of the South Precinct with the areas of assignment for our Community Police Team Officers and their contact information.
